THW-AS

HANNAH WELTON SIGNATURE AUXILIARY SNARE

- Designed in collaboration with drummer Hannah Welton
- 5" x 12" High-end maple shell
- Precision-engineered jingle technology
- Floating mount system allows drum to move more freely when struck, generating the energy necessary to properly shake the jingles
- Double-row jingles are offset & positioned close to the rim to capture maximum vibration from both rim & head impact
- Toca also collaborated with their sister company, Grover Pro Percussion, for the optimal jingle alloy, exact shape of jingle hole & diameter & length of the jingle pin, selecting custom-made German silver jingles to provide the most resonance and sustain
- Hot Purple finish, serves as a memory of Hannah's time performing with legendary musician - Prince

NEW PRODUCTS 2026

ERIC VELEZ SIGNATURE SERIES NUYORICAN MOUNTABLE COWBELLS & COWBELL BEATER

- Designed in collaboration with renowned percussionist Eric Velez
- Rugged eye-bolt mounting system attaches easily to any standard percussion rod
- Available in High & Medium Pitch, each with its own unique voice
- Cowbell Beater has durable, phenolic construction, vivid Arádanro Rojo finish, & Longer handle with textured grip, providing improved comfort & control

ERIC VELEZ SIGNATURE SERIES TIMBALE STICKS

- Precision-engineered for high-performance functionality
- Meet the demands of dynamic playing styles & rigorous performances
- Features unique 16" length & precise 0.462" diameter, providing specific balance, speed, & rebound necessary for intricate sticking & power
- Sleek black grip transitions into natural wood, separated by a distinct banding pattern including metallic Arandano-Rojo red, bordered by a band of Rose Gold & highlighted with Eric's signature & Toca logo, also stamped in matching Rose Gold

ARTIST SIGNATURE COWBELL SERIES

- Designed in collaboration with drumming legends Matt Frenette (Loverboy), Rikki Rockett (Poison), & Sully Erna (Godsmack)
- Matt Frenette's Signature bell is based on Toca's Timbale bell & is a visual powerhouse, with a striking "Hot Rod" Red finish, & features a distinct circular field of black, adorned with the Loverboy logo & Frenette's signature
- Rikki Rockett's Signature bell is based on Toca's Timber Tone bell & brings a splash of color with stunning anodized plating, that creates a rainbow of blues, purples, greens, & yellows, while featuring the Poison logo & Rikki's signature stamped into the metal & finished with a Timber Tone Block in a vivid "Glam Green"
- Sully Erna's Signature Bell is based on Toca's Mambo bell & features sleek, black mirror chrome for a heavier & subtle aesthetic, with the iconic Godsmack "Star" stamped into the metal & finished with a shiny black Timber Tone Block

EG = Eldorado Green

BI = Blue Impala

ELITE PRO CONGAS AND BONGOS

- Two New striking finishes: Blue Impala & Eldorado Green, inspired by classic Southern California racing & 1970s car modification culture (a nod to the iconic pinstriping, graphics, & metallic paints on classic cruisers & modded muscle cars of the era)
- Redesigned drums combine pro-grade size & sound, & unique bold aesthetic, with an accessible price point for the dedicated, intermediate player
- Drums deliver a full, powerful sound, and feature 28" tall, two-ply Asian Oak shells
- Available as a Quinto and Conga Set with Double Stand or as individual drums
- Equipped with Toca's EasyPlay Style hoop with 6 tuning lugs for superior player comfort
- Durable, plated chrome hardware complements the high-gloss finishes
- Includes a fully adjustable double conga stand with streamlined single top plate mounting bracket, ensuring quicker, stable setup and breakdown
- Bongos feature two-ply Asian Oak shells, 7" & 8-1/2" top-grade Bison heads, & are equipped with EasyPlay Hoops with 8 lugs

NEW PRODUCTS 2026

TOCA COLLAPSIBLE DIDGERIDOOS

- Unique, two-piece design expands to full size & smoothly collapses to fit in included bag
- Spider design has vibrant black, red, & yellow against a speckled dark background, featured on both the Collapsible & Curved Didgeridoos.
- Yellow-crested Cockatoo sets against a dramatic, textured back of blues & greens, featured on the Duro & Collapsible Didgeridoos
- The Bamboo Didgeridoo features two separate iconic creatures: a dynamic, stylized Kangaroo, one of Australia's most famous marsupials, & a bold, graphic of the powerful Crocodile

TOCA TALKING DJEMBES

- Full sonic range, power, & depth of a djembe, with the pitch control & "vocal" expressiveness of a talking drum
- Play like a djembe (sitting, standing, or on a strap), play like a talking drum (seated, squeezing side cords with legs while playing with hands or stick), or play by tucking under the arm, & using the beater, while controlling pitch by squeezing cords with your arm
- Hand-selected goatskin head in 10", 12", & 14" sizes
- Low-stretch Alpine rope with braided cores for tuning & projection
- Lightweight, durable seamless synthetic shell
- Includes traditional curved beater & rubber, non-slip bottom

SULLY ERNA SIGNATURE BLACK MAMBA SERIES

- Rope Tuned, traditional Wood & modern
- Created with Sully Erna, multi-talented founder & frontman of Godsmack
- Features iconic background art with Godsmack "Star" logo on drum base
- Produces resonant, warm tones
- Available in 8", 10", & 12" head sizes
- Hand-selected, black, goatskin heads, adorned with Sully's personal logo
- Hand-carved from a single piece of plantation-grown Mahogany
- Kiln-dried wood shells are treated with 20 coats of teak oil to preserve wood

ABMD2-12

TOCA NESTING CAJONS

- Set of three full-featured cajons (small, medium, & large) nest inside each other allowing space-saving storage & maximum portability
- Medium & large cajons feature sliding door on back panel, so each cajon securely fits inside the next one
- Small Cajon produces clear, cracking snare snaps, Medium Cajon has warm, balanced mid-tones & Large Cajon has deep, booming bass backbeats
- The body is finished in Red Mahogany & the front plate (Tapa) is an elegant White Teak

TNC

TOCA BOOM-A-DRUMS

- A collection of eight drums, Sizes range from 6"H x 4"W to 18"H x 9.5"W, each with its own mallet
- Drums are tuned to one another & feature a nesting design ideal for transportation, setup, & storage
- Compatible with Chroma-Notes™ color-coding system & standard Boomwhackers® colors
- Helps teach students how to read music & play along with other color-coded instruments
- Lightweight & durable with synthetic heads & composite shells

TOCA COLOR ROUNDS

- Set of five vibrantly colored frame drums (6", 8", 10", 12", & 14"), each with specific pre-tuned pitches that produces rich & vibrant tones
- Lightweight, stackable & durable with synthetic heads & brightly colored wood frames
- Available Individually or as a set

NEW PRODUCTS 2026

TOCA TIMBALE & PRO TIMBALE STANDS

- Two New models of professional-grade Timbale stands!
- Toca Timbale Stand (TTS) & Toca Pro Timbale Stand (TPTS)
- Heavy-duty, Chrome-plated steel construction
- Elevated Cowbell Mounting Bracket now sits higher between the drums which dramatically improves the player's experience & ensures maximum stability & ergonomic convenience for percussionists
- Elevated mounting point minimizes risk of incidental finger & knuckle discomfort associated with tightening & securing nut in confined spaces

TOCA COLLAPSIBLE CONGA BARREL STAND

- New high-end, Premium, Fully Locking Casters feature non-marking, polyurethane wheels that glide smoothly across stage floors, studios, & rehearsal spaces without scuffing or leaving residue
- Fully Locking brake locks both the wheel & swivel raceway with a single press of the metal pedal preventing slow shifts, unexpected spinning, & eventual rolling that friction models can exhibit
- Lightweight & rugged construction
- Crafted from heavy-gauge, chrome-plated steel
- Fully height-adjustable & foldable legs allow for compact storage in gig bags or road cases, ideal for travel
- Drum size demarcation lines allow for quick, precise adjustments & rubber grippers hold & protect drums shells.

TOCA CONGA ACCESSORY MOUNT

- Accessory mount attaches directly to the center post of any standard double conga stand, including Toca's Heavy-Duty Double Conga Stand
- Forward-reaching arm & upright knurled rod allow players to attach cowbells, blocks, & other percussion accessories to a knurled post
- Eliminates added clutter & need for extra clamps & holders, while offering a clean, stable, & professional mounting solution that supports multiple accessories at once
- Have instant access to bells, blocks, & other percussion add-ons
- Durable, practical, convenient, & designed for real-world gigging

TOCA PERCUSSION TRAY ACCESSORY MOUNT

- Mount essential instruments directly onto percussion tray
- Provides clean & simple set-up, eliminates the clutter of mounting accessories in front of the percussion table, allowing more open floor space for players
- Durable C-Clamp bongo mount attaches to center post of most trays & tables
- The "direct-to-post" attachment instantly creates a stable mounting surface where the player needs it, without requiring extra floor stands
- Adjustable height allows mount to be customized for any specific playing style, Ideal for any drummer/percussionist who values efficiency & a clean stage
