Boomwhackers®

C Major Pentatonic Set

consists of 6 notes: C'- D'- E'- G'- A'- C''. Because all of the notes sound good together, this set is great for very young children and people who think they can't play music! Tubes range in length from about 11" to 24" **BWPG**

C Major Diatonic Set

consists of 8 notes: C' to C''. The diatonic scale allows more songs to be played and is preferred over the pentatonic set by most music educators. Our most popular set, it is also found in the Boomophone™ XTS Whack Pack. Tubes range in length from about 11" to 24" **BWDG**

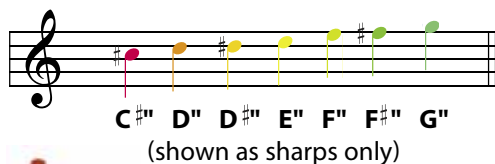

C Major Bass Diatonic Set

consists of 7 notes: C to B. The bass tubes add a whole new dimension to the sound and musical possibilities and combine with the standard Diatonic Set to form two full diatonic octaves. Tubes range in length from about 26" to 50" **BWJG**

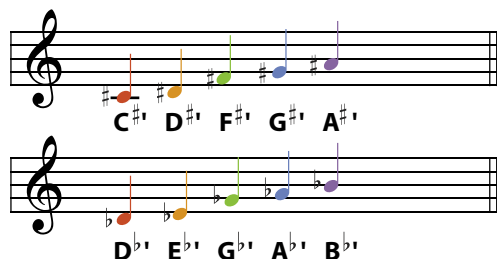

Treble Extension Set

consists of 7 tubes that start just above the highest note in the C Major Diatonic Scale Set: C#"- D#"- D#"- E"- F#"- F#"- G". Tubes range in length from about 7" to 11" **BWEG**

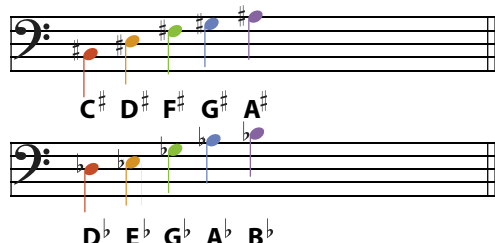

Chromatic Set

consists of the five sharps/flats for our standard octave. It forms a different pentatonic scale, which has its own pleasing sound and combines with our Diatonic Set to form a fully chromatic octave of 12 notes. Tubes range in length from about 13" to 24" **BWCG**

Bass Chromatic Set

consists of the five sharps/flats for our bass octave. This set combines with the Bass Diatonic Set to yield a lower chromatic scale, or combines nicely with the Chromatics Set for an extended range of notes. Tubes range in length from about 27" to 47" **BWKG**

Our most popular item!
