Taking Toca's enormously successful Synergy line of drums to the next level, Synergy Deluxe provides a number of upgrades without breaking the bank. The 28" tall Congas have 2-ply Asian Oak wood shells with natural hide heads. They feature low contact counterhoops for more open sound and chrome hardware. Adjustable basket stands included with each drum. The Synergy Deluxe bongo shells are made from environmentally-friendly, plantation Wood. They have 6" & 6-3/4" diameter natural hide heads and chrome hardware. The drums have a beautiful Luxe matte finish and several color choices.
