TOCA KICKBOXX SUITCASE DRUM SET

The Kickboxx Suitcase is a drum set with a Kick, Snare and Tom, plus room for your favorite kick pedal. The Kickbox acts as a carrying case for the entire set. Packed up, it's small enough to fit in most airline overhead compartments. The Kickboxx Suitcase Set features a 14" Bass Drum, 10" snare (with throw-off), 10" tom, and 3 retractable accessory posts (2 in the front & 1 in the back). Additional accessories can be mounted by attaching accessory clamps to the handle.
