

NEW PRODUCTS 2024

1373 BARITONE, 6-STRING BASS

- 28" scale neck, meticulously designed for B to B tuning
- Crafted with a solid mahogany body
- Delivers unparalleled punch and sustain
- The string-through body bridge enhances resonance
- 28" scale strikes the perfect balance, allowing the lower strings to resonate authentically without sacrificing the comfort of standard tuning guitars
- Equipped with new Alnico 5 Silvertone Lipstick pickups
- Retains the clean tones and bell-like top end of the original pickups, with a bit more output
- Provides the flexibility to comfortably drive pedals, tube amps, or digital modelers
- A versatile instrument across various musical genres
- Available in three striking colors: Black Silver Flake, Pelham Blue, & Silver Metal Flake

851 CONCERT UKE, WATER-SKI DESIGN
