

# JAMAL SIGNATURE SERIES GOME DRUM

*A Fusion of Tradition and Innovation -  
Providing a unique, versatile percussion experience.*

*A contemporary expression of a cultural cornerstone  
in the traditions of the Ga and Ashanti communities.*

- Innovative Design features a cajon-like body & replaceable skin head, reminiscent of traditional Gome models
- The ability to produce thick warm tones, striking slaps, & resonant bass, provides a diverse & captivating sonic experience
- The proprietary tuning system is a game-changing, patented, on the fly tuning system. Simply turn the handle & unlock a wide range of sounds in seconds
