NEW PRODUCTS 2025

1373 BARITONE GUITAR:

- A contemporary reimagining of the iconic 1958 6-string bass
- 28" scale neck, meticulously designed for B to B tuning, the popular tuning that left an indelible mark on 1960s surf rock and spaghetti western soundtracks
- Solid Mahogany body, delivers unparalleled punch and sustain
- String-through body bridge enhances resonance
- 28" scale strikes the perfect balance, allowing the lower strings to resonate authentically
- New Alnico 5 Silvertone Lipstick pickups, retain clean tone & bell-like top end like the original pickups, with a bit more output, providing flexibility to drive pedals, tube amps, or digital modelers, making it a versatile instrument across many musical genres
- Available in three striking colors: BSF = Black Silver Flake, PB = Pelham Blue, and SMF = Silver Metal Flake

1303 "FIFTIES" REISSUE KEY WEST CORAL - SOLID BODY ELECTRIC

The Reissue 1303 has all the vibe and twang of the original with some significant upgrades. The thru-body bridge provides great attack and hefty tone while giving you all the modern adjustment options you want. We also paid special attention to the neck profile, improving it with a modern C-shape, as well as coupling it to the body with a newly engineered neck joint system for longer sustaining notes.
