CONGAS

NEW!

ANTHONY ALMONTE - NEPTUNE SIGNATURE SERIES CONGAS

Developed by Anthony himself in partnership with Toca's expert team, we introduce a groundbreaking approach to drum finishes. Using a mix of color washes in a spectrum of blues and aquas, the Neptune finish is meticulously applied by hand to showcase the natural blonde wood grain beneath. Gold accents trace the drum's circumference, creating a dynamic and elegant aesthetic. The congas have two-ply premium Asian Oak shells and stand 30" tall, with a traditional hourglass silhouette. The Remo® synthetic heads, gold EasyPlay hoops, and six tuning lugs provide a blend of pro-grade sound, easy playability, and deliver everything from fat bass tones to sharp, cutting slaps. The matching bongos have 7" & 9" Remo synthetic heads, Two-ply Asian Oak shells, and gold hardware, EasyPlay hoops, eight tuning lugs and the same breathtaking Neptune finish.

MODEL	DESCRIPTION
6111-AAN	Anthony Almonte Neptune Signature Series 11" Quinto
6111-34-AAN	Anthony Almonte Neptune Signature Series 11 3/4" Conga
6112-12-AAN	Anthony Almonte Neptune Signature Series 12 1/2" Tumba

All Signature Series Congas come standard with Shell Protectors and Threaded Lug Tips!

ERIC VELEZ - ARANDANO ROJO SIGNATURE SERIES CONGAS

Eric's blurring style is based heavily on Afro-Cuban technique and prefers a finger-sensitive, controllable drum that he doesn't have to fight to play quietly or loudly. These Congas boast that Afro-Cuban style with three metal rings, finished in Rose Gold Hardware, including one metal ring in Black Mirror chrome. They stand at 28 inches tall, are made from two-ply high premium Asian Oak and are fitted with Remo® synthetic heads, Easy Play hoops and 6 tuning lugs. They also feature rubber bottoms for stability and durability. The Rojo Arándano Glitter finish adds a touch of spectacle, making these congas a visual delight on any stage. Quinto, Conga and Tumba sizes. Matching Bongos and Timbales are available.

MODEL	DESCRIPTION
4911EVAR	11" Quinto
4911-3/4EVAR	11 3/4" Conga
4912-1/2EVAR	12 1/2" Tumba

BASS REFLEX CAJONS

EXTENDED RANGE CAJON TOCA LOGO

This cajon has larger dimensions, offering a broad tonal spectrum and dynamic range. The patented bass reflex design produces enhanced bass response. This model features Adjustable Flamenco-style snares and finished with an Eye-catching Toca Logo design.

MODEL	DESCRIPTION
TCAJER-TL	Bass Reflex Cajon - Toca Logo Design

EXTENDED RANGE CAJON TIGER MASK

The larger dimensions of this cajon offers a bigger tonal spectrum and broader dynamic range than a standard sized cajon. Bass response is even further enhanced & extended by Toca's bass reflex design. Flamenco-style snares are adjustable. 19.5" x 14" x 11.5".

MODEL	DESCRIPTION
TCAJER-TM	Extended Range Cajon, 8-string, Tiger Mask

FLAMINCO CAJON MAHOGANY

A marriage of two great traditions - Spanish Flamenco and Afro-Peruvian music. This cajon reflects the elegant simplicity of the fixed-snare flamenco cajon.

MODEL	DESCRIPTION
TCAJF-M	Flamenco Cajon, Mahogany

CORNER ACCENT CAJON

A new joinery technique yields this attractive, sturdy flamenco cajon. Made from plywood with adjustable flamenco-style snares and Toca's bass reflex system, this cajon sounds as good as it looks!

MODEL	DESCRIPTION
TCAJCA-M	Corner Accent Cajon, Natural/Dark Walnut

THE WORKHORSE CAJON

Solid, dependable, durable. Toca Workhorse Cajons get the job done with a surprising touch of grace. Sturdy MDF body has greater density & less give than plywood. Its construction, paired with Toca's bass reflex design, yields a refined timbre with depth, clarity & dynamic range that rivals other cajons that cost twice as much.

MODEL	DESCRIPTION
TCAJWH-DW	Workhorse Cajon, Dark Walnut
TCAJWH-M	Workhorse Cajon, Mahogany

Toca Bass Reflex Cajons incorporate a patented, built-in resonant system. Following the same principals widely used on loud-speakers, each cajon in this group features an internal tube tuned to the cabinet of each cajon. This design enhances & extends the low-end response of the cajon and increases overall volume.

KICKBOXX PRO

An evolution of our original, immensely popular, Kickboxx Suitcase Drum Set. Combining portability & professional features, sets a new standard for compact drumming solutions for all drummers. The Kickboxx Pro features four retractable accessory posts for more customization & options for mounting accessories. Easily accommodates left-handed setups. Includes two 10" toms, transforming your setup into a full 3pc drum kit, allowing musicians to explore a wider range of rhythms, beats & possibilities. Finished in a stunning Cobalt Blue color. Add a crash or ride cymbal to the Cymbal attachment rod, & enhance the sonic capabilities of the drum set, making it suitable for multiple musical styles.

MODEL	DESCRIPTION
TKSDS-PRO-BL	Kickboxx Pro Suitcase Drum Set

KICKBOXX SUITCASE DRUM SET

A drum set with a Kick, Snare & Tom, plus room for your favorite kick pedal. Everything fits inside the Kickboxx. Packed up, it's small enough to fit in most airline overhead compartments. It has a 14" Bass Drum head, 10" snare (with throw-off), 10" tom, & 3 retractable accessory posts (2 in the front & 1 in the back). Add more accessories by attaching accessory clamps to the handle.

MODEL	DESCRIPTION
TKSDS	Kickboxx Suitcase Drum Set

MODEL	DESCRIPTION
Add-ons:	
TAUX10	10" Aux. Drum w/Mount (for 3/8" Post)
TAUX10-SN	10" Aux. Drum w/Snare & Mount (for 3/8" Post)

DUAL POST U-ROD ACCESSORY CLAMP

Two 3/8" diameter posts, in two lengths on one end, with an adjustable stand clamp on the other end. Easily mount two accessories together at different heights.

MODEL

NEW ACCESSORIES!

KICKBOXX KICKBAG

Lightweight, sturdy bag with quick-zip closure, handle hole for easy handle access, and shoulder strap for hands-free carrying.

MODEL
TKSDS-BAG

KICKBOXX FOOT STAND

Prevents the bass drum from moving forward during play. Attaches easily to bass drum port & base with an A-frame bracket. Includes pivoting, height-adjustable foot for maximum grip and stability.

MODEL
TKSDS-FSTD

KICKBOXX TILTER

Fits standard, straight, knurled accessory posts to adjust the angle of drums or cymbals. Provides greater comfort and precision during performances.

MODEL
TKSDS-TLT

KICKBOXX BASS DRUM BEATER

Features rubber ball covered in nylon wool felt on a 6.25-inch stem. Delivers a softer attack, fuller low-end tones, and less "click." Enhances pedal responsiveness, reduces noise, and minimizes drumhead wear.

MODEL
TKSDS-BTR

DRUMSET ADD-ONS

ACRYLIC MINI TIMBALES

Excellent add-on to any existing drumset or percussion set-ups. Two sizes, 6" and 8" (sold separately), mounts to any 3/8" rod. Delivers excellent crisp highs. Rubber Bottom.

MODEL	DESCRIPTION
T-408AS	8" Black Smoke

JINGLE SNAP™

Innovative accessory adds a jingle sound to a drummer's backbeat with precision & control. Keep that jingle sound close & hit it whenever it's needed. This stickable jingle provides a precise accent only when needed, because it's mounted directly to the snare instead of a constantly moving hi-hat. This small accessory packs a big or quiet jingle. Fits on any acoustic drum, & features four nickel-plated steel jingles. Black powder-coated metal frame ensures durability & long-lasting use.

MODEL	DESCRIPTION
T-JS	Jingle Snap

UPDATED DESIGN!

JINGLE-HIT TAMBOURINES

Updated design adds crisper sounds and durability. 6-ply wood construction. Rubber playing surface can be played by drumstick or hand. Gibraltar dual post mount. Double-row nickel plated jingles that produce bright sounds. Cowbell not included.

MODEL	DESCRIPTION
TD-JHMTPT1	6" Marine Pearl
TD-JHMTPT1-BK	6" Black

DRUM SET TIMBALE WITH SNARES

These innovative new instruments provide drummers with an expanded range of sound options, & are perfect for drummers looking to add new elements to their music. The first 12" x 4" model, features a stunning stainless steel finish. The smaller head size makes it easy to place in tighter spaces, & the steel shells provide maximum sustain, brightness, & clarity. Equipped with a snare, it enables drummers to easily transition from a unique timbale sound to a snappy snare sound. The second 12" x 7" model, boasts all the same features as its smaller counterpart, but with a deeper ring & a stunning hand-hammered stainless-steel finish that's sure to dazzle audiences. Both drum set timbales come with a heavy-duty mount that accommodates a variety of rods & tom holders, making them easy to place on any drum set.

MODEL	DESCRIPTION
T-712-HH	12" Hand Hammered - 7" Shell Depth
T-412-SS	12" Stainless Steel - 4" Shell Depth

HI-HAT "HIT-ZONE" TAMBOURINE

Rubber "Hit Zones" allow the drummer to create a different strike with a drumstick while keeping rhythm on the hi-hat. 10 rows of nickel plated jingles create bright sounds ideal for any music application. 6 3/4" black powder coated metal round frame.

MODEL
T-HH2T

QUICK CHANGE MOUNT

SMALL HAND PERCUSSION

PRO CABASA & CABASA SHAKER

The Pro Cabasa produces a traditional scraping effect for rhythmic patterns when shaken or twisted, similar to the sound of a rattlesnake. The Cabasa/Shaker is a hybrid piece of hand percussion. A traditional cabasa on the outside, with 10 rows of looped steel beads atop a textured stainless steel surface to deliver a bright & sonically rich scraping effect. Inside, its steel shot fill produces a moderate, well-balanced shaker tone. The two effects combine to create a percussion piece that's incredibly versatile in sound & patterning, working wonders for both recordings and live performances. It has a comfortable handle & sleek black finish stamped with Toca's classic logo.

MODEL	DESCRIPTION
T-2513	Pro Cabasa
T-2513-MD	Cabasa/Shaker
